

## Whitening Collagen Mask

### Skin Concern:

- Hyperpigmentation
- Age spots
- Uneven skin tone

### Benefits:

- Skin brightening
- Complexion illumination
- Age spot fighter (prevention and correction)
- Protection from free radical damage

### Composition:

- **84% native collagen**
- Combination of collagen fibers, collagen molecules and collagen peptides
- **Brightening Complex:**
- **Alpha-Arbutin** blocks melanin synthesis

- **Citric Acid (AHA)** mildly exfoliates and lightens skin
- **Ectoin** increases the irritation threshold of the skin
- **Licorice Root** has skin-lightening effects and helps in providing protection against ultra-violet radiation
- **Grape Seed Extract** is rich in polyphenols and acts as a powerful anti oxidant and protects from free radicals

### INCI:

Collagen · Alpha-Arbutin · Hydrogenated Polyisobutene · PPG-15 Stearyl Ether · Citric Acid · Ectoin · PEG-40 Sorbitan Peroleate · Vitis Vinifera Seed Extract · Dipotassium Glycyrrhizate · BHT

### Scientific Data:

- **15 %** Wrinkle depth reduction (PRIMOS<sup>1</sup>)
- + **60 %** Increase in Hydration (Corneometry<sup>1</sup>)
- Pentapharm – Efficacy of Alpha Arbutin / Merck – Efficacy of Ectoin / Indena – Efficacy of grape seed extract / Selco – Efficacy of Licorice Root / [www.mdpi.com/journal/molecules](http://www.mdpi.com/journal/molecules) : Characterization of mediterranean grape, pomace seed and skin extracts: polyphenolic content and antioxidant activity
